We confirm:

1. We instruct you to set up a Workplace Pension for each of our clients and will complete your bulk set up file and upload this onto your platform.
2. We agree to pay your fees as stated on set up of each employer's pension set up
3. We are responsible for the accuracy of the data uploaded and will ensure that all data is correct prior to upload.
4. Every time we run payroll for our clients we will also produce a pension contribution which we will upload for each client. The format of this file will be to the Salvus/HS Admin standard.
5. We indemnify Salvus and HS Admin in respect of any claim arising from the provision of inaccurate or incorrect data or any such claim arising from our negligence.

Compliance Module

If we use your Auto enrolment compliance portal:

1. After running our client's payroll, we will also upload your data template into your platform on every Pay Reference Period.
2. We will update records to reflect any opt outs, opt ins new joiners and leavers to ensure that data is up to date

We also confirm our compliance with the Data Protection Act 1998 and as such access to employee's personal information shall be limited to use in the context of Auto Enrolment, Payroll and pension scheme maintenance W further confirm that we will fulfil our obligations under the Money Laundering Regulations 2007 and have completed the relevant corporate client due diligence in respect of all of our clients.
